Amdt. dated July 29, 2004  
Reply to Office Action of July 2, 2004

PATENT

**Amendments to the Specification:**

Please amend the specification as illustrated in the marked up version of a substitute specification under 37 CFR 1.125 in appendix A. A clean version of the substitute specification is attached as appendix B.

Numerous paragraphs have been added to the original specification. The undersigned notes that the added text and paragraphs are copied from U.S. Patent Application Serial No. 08/147,800, filed November 5, 1993 (the '800 application). The '800 application was incorporated by reference in the instant application on paragraph 13, line 5. Accordingly, the addition this text in the instant application adds no new matter.
